

# Smart India Hackathon 2025

## THINGS TO REMEMBER (DO'S & DON'TS) for Grand Finale Participants

### Critical information and DO'S:

- Carry college ID (original) along with valid Govt. ID
- Carrying a laptop is mandatory for all hackathon participants.
- Carry warm clothes as the winter season is approaching in India specially for centers in the north.
- All students and mentors will be provided accommodation in University/Institute Hostel on a sharing basis. Separate hostel for boys and girls.
- The hostel may or may not have attached washrooms.
- Every hostel floor will have a common toilet/bathroom block. Each toilet block will have some western style WC and some Indian-style WC.
- Carry bath towels, napkins, flip flops (for hostel bathroom), shaving kits, water bottle, etc. Essential toiletries can be purchased within campus grocery. In case of anything specific you need, please carry it with you.
- **Join the telegram group for quick communication:**  
**<https://t.me/+iisUY0Wpew00YjQ1>**
- Tweet and post on social media handles with your stories starting from preparation, travel and then grand finale.
- In case of any medical urgency, medical facility will be available at the venue. Please bring it to the attention of organizers immediately.
- Whenever you leave your room, be sure to lock it. Don't leave your valuables including laptops, mobile phone, jewellery, passport, cash, etc. out in open in your room. Organizers will not be responsible for any theft of unattended items. It is suggested for you to carry additional lock and keys.
- During your stay, you usually would be served the Indian meal (veg and/or non-veg).
- Every student is committed to maintain cleanliness in the rooms/venue/campus and should use trashcans or dustbins for garbage.
- During the hackathon, please stick to the agenda of the hackathon event and follow the instructions carefully.
- Use of unfair means is not acceptable and will lead to disqualification from hackathon.
- In case of any grievance, please get in touch with the organizers immediately.
- No one is allowed to leave the premises once the hackathon starts.
- The student may plan their travel from any mode of transport but the total capping for reimbursement is limited to Rs. 3000/per person round trip including local travel or actuals
